MONTESSORI SCHOOL

OBSERVATION GUIDELINES

*Admission Process Forms*

Thank you for considering our school. Please take a few minutes to read this information.

Our observation time is from 9:00am until 10:00am on Tuesdays and Wednesdays at Carlton Way.

At 10:00am we will meet with you and answer any questions you may have.

For your observation, please do not bring your child(ren).

We find that it is very important that you observe the Montessori method in action in order to better understand the philosophy. Please be aware that in the Montessori school, the environment plays a very important role in the learning process; if that environment is altered or disturbed, the child's focus and concentration will be lost. Therefore, we ask that while observing, you:

- Don't interact with the children.
- Hold all questions and concerns until your meeting time at 10:00am.
- Refrain from using your cell phone.
- Avoid holding conversations with other adults.

Thank you again for your interest and understanding.
